Elementary Anticipation Guides

Anticipation Guide + Character POV. To help students understand point of view (POV), you can use an anticipation guide where students write down how they feel about the statements. Then, after they read the story, they write down how a specific character feels about the same statements. [Print This Tool](#)

Anticipation Guide - The Teacher Toolkit

An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.
