One of Elsevier's journals was caught in the sting set-up by John Bohannon, published in Science, called Who's Afraid of Peer Review? The journal Drug Invention Today accepted an obviously bogus paper made up by Bohannon that should have been rejected by any good peer review system. Instead, Drug Invention Today was among many open access journals that accepted the fake paper for publication.

Elsevier - Wikipedia

Social Science & Medicine provides an international and interdisciplinary forum for the dissemination of social science research on health. We publish original research articles (both empirical and theoretical), reviews, position papers and commentaries on health issues, to inform current research, policy and practice in all areas of common interest to social scientists, health practitioners ...
