Electronic Filter Design Handbook, Fourth Edition - Fred ...

Electronic filters can be classified by the technology used to implement them. Filters using passive filter and active filter technology can be further classified by the particular electronic filter topology used to implement them. Any given filter transfer function may be implemented in any electronic filter topology.

Electronic filter - Wikipedia

LC high-pass filters can be directly designed by mapping the values of a normalized LC low-pass filter into a high-pass filter. This allows use of existing tables of normalized low-pass values to create high-pass filters.
