On the Epson Stylus Pro 3800, the manual feed slot doesn't like paper that's much narrower than a US Letter sheet. You'll have to feed it through the automatic feeder. But the automatic feeder may have trouble with paper smaller than 4 x 6 inches; you may have to keep it straight with your hands as it drops into the slot. Black area of paper.

I've had this problem for quite sometime now. Since purchasing an Epson 3800 I haven't really bothered to address it. Today I finally had some time to address the paper feed problem. I just spent 30 min on phone with Epson support. They, or the gentleman I spoke with, tried to tell me it was a nozzle issue.

epson feed | eBay

Epson xp300 paper jam every time even with no paper. i took it apart and found out exactly what is going on with these printers. i also took pictures of the area that needs attention. it's a simple fix and it's due to epson's poor design. they have not allowed enough material to hold the paper jam detector in the correct position.

Error says paper jam, but there is not. What could cause this?
