Violet Eden is certain of all this because she is Grigori – part angel, part human. She has felt the influence of both light and dark. When Hell unleashes its worst, Violet must embrace every facet of her angel self to save the people she cares about and the world as she knows it. But death is not the worst thing that Violet will face.

I love the Violet Eden Chapters so much. It's a totally different and interesting take on angels. Emblaze is the third book in the series and it was just as amazing as the previous books. This book is wonderfully written and has some of the best characters ever. What I liked: Violet is an amazing character, she is fantastic and she is flawed.
