A power inverter, or inverter, is an electronic device or circuitry that changes direct current (DC) to alternating current (AC).. The input voltage, output voltage and frequency, and overall power handling depend on the design of the specific device or circuitry. The inverter does not produce any power; the power is provided by the DC source. A power inverter can be entirely electronic or may ...

Discovery is the second studio album by French electronic music duo Daft Punk, released on 26 February 2001 by Virgin Records. It marks a shift from the Chicago house sound prevalent on their first studio record, Homework (1997), to a house style more heavily inspired by disco, post-disco, garage house, and R&B. Comparing their stylistic approach to their previous album, band member Thomas ...
