Houghton Mifflin Textbook - Students' Textbook Site

My experience in elementary school fueled more than my love of social studies subject matter. It also fueled my interest in how children can develop a solid founda-tion in social studies before they go on to middle and high school. I think of that often, and it pervades this book. In the primary grades (kindergarten–3rd), what

• Someone else is at fault: parents, elementary school teachers, and perhaps even their colleagues. Elementary school teachers are especially singled out as culprits for the reading woes of adolescent learners. These frustrations can impact student learning as Cris Tovani notes in her book, I Read It, But I Don't Get It(2000). In this book ...
